

## Training

### Management Development Series

Barsamian & Moody has developed a series of seminars specifically designed to assist employers in addressing many of the most pressing issues in labor and employment law, entitled the "**Management Development Series**." The following is a representative list of topics in the **Series**. Barsamian & Moody is also able to custom create training on virtually any other topic that an employer may desire. Each seminar or in-house training program is offered on a flat fee basis.

Please feel free to contact Barsamian & Moody at **800-322-2573** for further information and scheduling.
